for

Garibaldi is half German, half Italian—a good nisture, perseverance and vivacity. The sponge gathered at Key West, Florida, last year, amounted to \$72,000. The finest emeralds come from veins of clay and slate, in the valley of New Granada,

Bats in India are called flying foxes, and measure six feet from tip to tip. Three millions of cocoanuts are exported in a single

year from the Island of Ceylon.

dictionuries. Mr. Barnum has contributed 4000 tickets of admission to his Museum towards the relief of the Kansas

sufferers. The live stock of Illinois is estimated at near one hundred million of dollars in value.

100,000 acres. A new novel by Charles Dickens is to appear in

A deputation, including two members of Parliament, has been appointed to invite Garibaldi to Eng-

The millenium is certainly approaching in New York. Billy Mulligan, the notorious bully, has actually been convicted for assaulting a policeman. Sweden has recently abolished the vexatious pass-

port system, and thereby set an excellent example to the other governments of Europe. DISMANTLING OF THE PAVILION.-Workmen have commenced dismantling the Pavilion, in San Francisco. The building has been sold to Dore & Haven, for \$2,500, payable in 20 and 60 days.—S. F. Times. It is reported that the 3,000,000 acres of public hads in California, to be put on sale in June, 1861,

FANCY FIREMEN.-The last refinement in fire matters has been introduced by the Phoenix Hose Company of Philadelphia. They will have a large wagon drawn by two horses to convey the members to the

sik-stocking company, but famous firemen. The Honolula Advertiser says that a female Hawaiian, living on the islands, recently gave birth to her twenty-third child! At this rate the Kanakars are not likely to die out during the present generation .- Portland Transcript.

ARTESIAN WELL AT LOUISVILLE.—The artesian well at Louisville is one of the great curiosities. This is the deepest well that has ever been successfully bored. It was commenced in 1857 by the Mesers. Dupont, is 2086 feet in depth, discharges 230,000 gallons every twenty-four hours, and carries its flow to the height of 170 feet above the surface.

BORROWED SPLENDOR .- Rev. Dr. Tyng of New York, told his society the other evening that an eminent jeweler's house of that city cleared, from diamonds rented to ladies to glitter in the presence of royalty,

their store for a year. the United States Mint had commenced to recoin gold dollars into pieces of larger denomination, on account the recoinage is only applied to those of the first two and was suffered to depart. or three years, which were smaller in circumference than those coined now.

the best daily journals in the United States. The London Daily News costs \$17 50 a year, the Advertiser \$19 50, Chronicle \$19 50, Post \$22 50, Times \$25. The Thunderer is furnished by London agents on the second day after its publication, at the rate of \$19 50 per annum. The President attended Dr. Gurley's church in

Washington Sunday, December 18th, and heard a sermon on the Union, in which all kinds of secessionists and disunionists were severely denounced. He listened with apparent delight, and after the services were over, said, "It was a splendid discourse." A young lady in St. Paul rose from her bed a few

nights since to make an application of camphor to her throbbing temples. By mistake she got hold of a bottle of indelible ink. The error was not discovered in time to prevent a most damaging effect to the fair one's personal appearance.

The heir of the throne of Italy, the son of Victor Emmanuel, is Prince Humbert, now in his 17th year -a bold and elegant rider, a first-rate marksman with the rifle, exhibiting skill and endurance in all manly exercises, endowed with a fair, open countenance, while the soldier-like, honest mien of the father is blended with the delicate features and sweet expressions of the mother.

Dr. Wm. Longshaw, Jr., the surgeon of Dr. Hayes' Arctic Expedition, has returned home, leaving the led to the foray, therefore it is vessel in her winter quarters, officers and crew all and everything was favorable for the prosecution of the enterprise next season.

The Romans have a caricature in which the head of Napoleon is laid open and all Europe is represented as staring at the Imperial brains with a bewildered expression, denoting the inability of the knowing ones to read the riddle which is now perplexing conservatists and revolutionists.

MATRIMONIAL GOSSIP .- Fernando Wood, Mayor of New York, has purchased a Fifth-Avenue house, corner of 324 street, for \$32,000, and proposes to get married (for the third time) and move in shortly. He marries a Miss Mills, upon whom, it is understood, he agrees to settle \$100,000 on the day before the knot is tied. The late defeated candidate for Mayor of Boston,

Moses Kimball, was one of the City Council which ten years ago refused the use of Faneuil Hall to Daniel Webster, when he desired to address the people of that city in support of his vote in favor of the compromise bill of that year. Kimbali is now signally rebuked for the insult and indignity he then offermuch to make Faneuil Hall memorable in history.

Cyrus McCormick of Chicago, the man who inventel a reaping machine, and made \$1,300,000 thereby, and was refused an extension of his patent by
Mr. Holt, then Commissioner of Patents, on the
Fred Douglas then rose again ground that he had been sufficiently paid for his inpatents, for improvements in reaping machines.

A VETERAN VOTER .- Dr. Lyman Beecher, who east his first vote for Gen. Washington, President, was ularly uprourious. A motion to dissolve the meettaken by his son to the polls, that he might cast his | ing was carried. last vote for Lincoln. As the venerable man, with flowing and silvery locks, entered the room, the crowd parted right and left, and silently made way for him. Captain Travis, the celebrated marksman, in order to test the truth of the assertion that the hide of a rhinoceros will resist a bullet, shot at a specimen of this pachyderm, on exhibition in Memphis, on Saturday night last. The bullet fell to the ground, flattened by contact with the thick skin. The animal did not even move when he was struck.

A shark, recently captured near Port Jackson, N. S. W., carried the following curious miscellany in his capacious stemach: Haif a ham, several legs of mutton, hind quarter of a pig, head and fore legs of a bull dog, with a rope round his neck, a quantity of horseflesh, a piece of sacking, and a ship's scraper. No wonder that twelve gallons of oil were obtained from his liver!

New Ships.—A new system of ship-building has lately been introduced into England by M. Tovell. The bow is copied from the head of a salmon, the stern from the after body of a swan. Vessels built upon this principle have all proved to be fast sailers, of a few of the states of the south, do not know the with great stowage capacity. The keelson is curved,

not straight, as in many other ships. Sevene Weathen in Europe.-A letter from movement, and, though he makes no concealment of Chamberry, France, states that a rather heavy fall of the uneasiness which the contemplated treason gives snow took place there in the evening of the 7th Nov., him, he is not a bit alarmed by the aspect of affairs, and that all the mountains in the environs were nor is he at all inclined to yield an inch to the well covered. > capital, as the most fastidious social martinet could A THIEF OVERHAULED AND INSPECTED -Our readers will remember Mr. and Mrs. Hamm, who gave several vocal concerts in this city some years since. The following has transpired respecting Mr. H.:

stately dames and lovely demoiselles of the national

Some weeks ago, says the Napa Reporter, A. N. will be rapidly bought up. They comprise some of Hamm, the getter up and ostensible manager of the the finest lands in Sacramento and San Joaquin val- Collegiate Institute in this place, suddenly " got up and got," leaving the public minus from three to five thousand dollars. He exhibited the utmost impartiality in his operations, treating servant girls, cooks, butchers, merchants and printers all alike. Just before leaving he got possession of some \$2,500 by fires. The "Pho-nix" has always been a kind of means of collections and a transfer of his interest in the college property, and vanished from the sight of this community. Mr. B. W. Latta, of the firm of Latta & Blain, was among the sufferers, and determined to give chase to the fugitive. Having obtained some clue, he succeeded in tracing him to Santa Cruz, He found Hamm already engaged in negotiating for getting up another "Collegiate Institute," and on applying for the necessary papers to arrest him, found it difficult to persuade the Magistrate that

Hamm was the man he was after. The worthy Justice had spent the day with Mr. H. examining and comparing the various building sites for the proposed institution! Mr. L. succeeded, however, and arrested this speculator upon public credulity, just on the eve of a fresh speculation, and placing him on board the stage-with handcuffs ready to put on in case of any attempt to escape-started for Napa via San Jose. Mr. Latta, on arriving in at the grand ball, a sufficient sum to pay the rent of the latter place, directed the driver to "drive round to the county jail." At this point Hamm ' weakened' The GOLD DOLLARS.-It has been announced that and agreed to shell out, on condition that he should be taken to a hotel instead of the prison. He then reluctantly disgorged \$456-the amount of Latta's of their great inconvenience; but the truth is, that | claim, besides \$40 additional for expenses incurred,

This Hamm is well calculated to take among strangers. He is a singing master by profession, and has tory. We are told that he once had a minor theater in Baltimore. If reports we have heard be true, his operations in Napa are only a repetition of similar speculations elsewhere. He is probably about forty years old, nearly six feet tall, heavy set, florid complexion, light eyes and hair, and is exceedingly plausible in manners and address, besides being a "professor of religion."

Political. tionists and colored people undertook to hold a meeting aid in putting down treason. in Tremont Temple, Boston, Dec. 3, to " mark the anniversary of the martyrdom of John Brown," but the Union men went in and took possession, ousting Fred. Douglas and others after a free fight, and passed strong Union resolutions.

Fred. Douglas, who was on the platform, called the proceedings of Mr. Fay the coolest thing he had ever known. Mr. Fay was sustained, and read a series of resolutions, which were received with applause, and adopted by a large majority. The following are the

Whereas, It is fitting upon the occasion of the anniversary of the execution of John Brown for his piratical and bloody attempt to create an insurrection among the slaves of the State of Virginia, for the people of this Commonwealth to assemble and express their horror of the man, and of the principles which

Resolved, First, That no virtuous and law abiding well. The vessel would remain in the ice till June, citizen of this Commonwealth ought to countenance, sympathize, or hold communion with any man who believes that John Brown and his aiders and abettors in that nefarious enterprise were right in any sense of that word.

Second, That the present perilous juncture in our political affairs, in which our existence as a nation is imperilled, requires of every citizen who loves his country to come forward and to express his sense of the value of the Union, alike important to the free labor of the South, and to the interests of the commerce, manufactures, and agriculture of the world.

Third, That we tender to our brethern in Virginia, our warmest thanks for the conservative spirit they have manifested, notwithstanding the unprovoked and lawless attacks upon them by John Brown and his associates, acting, if not with the connivance at least with the sympathy of a few fanatics from the Northern States, and that we hope they will still continue to aid in opposing the fanaticism, which is even now attempting to subvert the Constitution and the Uni-

He is He made an allusion to Daniel Webster, and cheers now understood to want an extension on eight or nine | were given for Webster and repeated. He was continually interrupted with cries that he had exceeded his time. All was confusion, and the negroes partic-

Cheers were then given for Virginia, and the Union and the Constitution, after which, in obedience to the orders of the Mayor, the police cleared the hall and locked the doors.

After the chairman had pronounced the meeting lissolved, Fred. Douglas, Sanborn, and a few others manifested some resistance to the police, and were ejected from the platform and hall. During the uproar Rev. J. Stella Martin announced that a meeting would be held in his church in the evening. In response to this announcement the Baptist Church (colored) in Joy Street, was filled at an early hour. The edifice was small and a large proportion of the audience were black. Here Wendell Phillips, John Brown, and a few other leading John Brown sympathizers, ventilated their opinions freely with little interruption.

SPRINGFIELD, ILL., Nov. 14, 1860. AN HOUR WITH LINCOLN .- The timid gentlemen who are expecting Mr. Lincoln to issue a pronunciamiento after the manner of successful Mexican chiefs, wherein his policy will be declared, for the conciliation of the madmen who are threatening the secession president elect. It was my good fortune to talk with him an hour, yesterday, in relation to this secession for what has been long preparing; that his position scriptive of the visit of the Prince to Boston. He that a reiteration of his views, which are patent "Boston has given the Prince of Wales a reception to all men who have sought to know them, would

Productions—Prayers, priests and pumpkin pies. Republic No. 5.—The Pacific Republic, including California, Oregon and Washington Territory, with the eventful addition of Sonora and Utah. Staples-Gold, grizzly bears and babies. EDWARD BATES, OF MISSOURL.-The prospect that

this conservative and justly popular statesman, is likely to become a leading member in the Cabinet of the new President, will be received in all parts of the Union with delight. Regarding thus political move, the St. Louis correspondent of the Bulletin writes : Edward Bates, of this city, received a despatch December 15, from Mr. Lincoln, asking his immediate presence at Springfield, and he left by the train of that afternoon. This visit is taken to mean that Mr. Bates can have a seat in the Cabinet if he will ecent—and his friends here assume that he will. As he is the first prominent politician who has been summoned to a conference, and as the conference s ems to e a protracted one, there is room for belief that Lincoln has accepted him as chief consultee and adviser. If this is so, Mr. Lincoln may be taken as having adopted, in prospective, a conservative course, and one that will be at war with the ideas of the ultra Republicans. There is no doubt of Mr. Bates' conservatism in a general sense. He is, however, strongthey persist in repelling a fair compromise, or the | feetly safe in all cases. See advertisement in another column. acts of an administration which shall make no war | 224-1y upon their rights. He makes no secret of his coercive policy, talks of it daily here with his brother lawyers, and displays much warmth on the subject. In the midst of a heated discussion the other day with an old friend of fifty years standing, but a political opponent, he averred that he had an old sword, a relic of 1812, John Brown meeting broken up .- A few aboli- which he would what and carry to South Carolina to

The steamship Great Ea tern will remain open to isitors during the winter. Some 20,000 persons had visited her during her stay at Milford Haven. On the 26th November, Lord Palmerston presided over the annual meeting of the Leeds Ragged School

THE GREAT EASTERN .- The Great Eastern realized \$70,000 by her trip to the United States; it will take \$5000 more than that to fit her for another voyage, and she has gone into winter quarters.

There is an ominous cloud of war upon the European horizon. France and Sardinia on one side, Russia, Prussia, and Austria, on the other, are arming with a vigor which is full of the ominous import

Garibaldt's Poverty .- A letter from Capua i the Presse says :- Garibaldi, having told his secretary and two aides-de-camp to hold themselves in culiness to depart, they felt it indispensable to remind him that he was absolutely without money, and that he must think how to procure a few hundred francs for his voyage. The fact is that the man who has given to Piedmont eight millions of subjects has never taken a sou of pay or salary for himself.

SPAIN.-The intolerance of Spain has been fully xhibited in an open refusal to grant liberty of worship to British subjects. The constitution is sufficiently explicit in support of the course of the Government. It says: "The religion of the Spanish nation is, and perpetually shall be, that of the one and only true Roman Catholic and Apostolic Church. The nation protects it by wise and just laws, and prohibits the exercise of every other religion." however, strange, that when the Pope is asking Protestant powers to interfere to restore his authority over his unwilling subjects, his representatives in Modrid should dare to put in force such an enactment against the English.

THE PRINCE IMPERIAL IN THE FIELD -The Prince mperial profiting by the example of his father, reakfasted with his regiment, in which he holds the rank of corporal. It was the funniest sight imaginable, to see him walking beside his father, in full uniform, with chapeau and sword, and the broad ribbon of the legion of Honor across his breast. He walked steadily along, as grandly and as gravely as if he felt the full importance of his position. He is really a remarkable boy for only four years. Later in the day he rode around the field on a beautilittle pony, perfectly trained, which galloped as steadily as a rocking-horse, His rein was held by an officer who accompained him, and he was attended by several servants on horseback. He rode erect, and sat as armly as any Marshal of France. All along Largest and Best Selected Stock the line the people greeted him with most enthusiastic cheers-the men waving their hats and shouting ing their hands and (those who had them) holding up their children to look at him. After making the circuit of the field, he rode back to the royal stand, kissing his little yellow-gloved hand to the spectators, who replied to his salutations with the most hearty

heers I have heard in France. I was so much touched by his beauty, his innocence, erfect grace and trustfulness, that I felt like shouting Vice le Prince! myself; and if I, a stranger, could be so strangely moved by his appearance, how much more deeply must the French people have felt, who have watched him from his cradie, and who look upon him as their future severeign? Louis Napoleon omits no opportunity of endearing himself and his family to the French people, and their affection for the Prince is one of the strongest links that

The War in New Zealand.

The following is an extract from the correspondence of the Nelson (N. Z.) Examiner of the filst Sep-

TARANKI, September 14. Last Monday a grand expelition proceeded to Waitara against the rebel pabs, consisting of 1,270 privates, and in all more 1,400 men. They took many guns from town, and were to procure more from Nelson at Waitara. The force halted at about eight les distant, and on Taeslay morning, being joined by Major Nelson and the guins, one a six-pounder, proceeded, accompanied about 50 Tarauki Volunteer Rities under Captain Strapp. They most gallantly stormed four empry pahs, and burned them ; but on attempting to cuter a road leading through some light bush, to another pah, some natives who had been previously observed to enter the bush, fired a colley upon the advanced guard of the 40th Regiment, wounding one man, who fell, Manries appearing to be in farce. To the shame of the English, it has to be recorded that the men of the 40th turned and fled in disorder, leaving their comrade behind them, whether alive or dead they did not know, and did not stop till they had left three cannon (posted in the rear exposed, to be captured by the Maories, as there were only 15 men who remained with them. avors the secession of certain States in friendly co- One of the officers, it is said, fell over a stump and operation only, when the non-slaveholding States re- last his sword, and could not afford time to regain it. The "retire" was then sounded, and the whole force retreated, having been baffled by 200 natives, who ecession, and made a powerful speech to the people Commodore Loring, with a rocket-tube and six blue- BY THE REGULAR PACKETS BETWEEN HONOLULE jackets, was also left exposed by the flight of the 40th, and had to retire as best he might. The advanced guard were again directed to ad-

vance, and at least recover their comrades, but a second time retired in confusion, and a general retreat was ordered-some to Waitara, and the rest to their halting place of the night before, and next day reached town in safety. The general returned to town by the steamer from Waitara on Tuesday night. When the 40th retired, it is said that it was intimated to the general that the 50 Taranki Volunteers were ready to enter the bush and drive the Macries out; but he said where he would not send soldiers he would not allow volunteers to go. So ended the great expedition of 1,400 men against

200 Maories. Surely some different mode of warfare must be adopted before we can hope to defeat the Maori. There have been terrible rows with the women and children about forcing them away from their homes, -in fact some of them, who were warned to go by the Airedale, are gone somewhere with their husbands' guns, and cannot be found. Captain King (militia) was put under arrest for refusing to head some soldiers to fetch the women our of their houses.

NOTICE To those wishing to procure ENGLISH or AMERICAN BOOKS. OWING TO THE INCREASED EXPENSE

attending the importation of Books, and the decreasing demand for them the undersigned will hereafter confine his orders principally to such books as may be expressly ordered oy parties wishing them. An order will be forwarded to Boston once a month, for such new or old publications as may be desired. Persons wishing to procure books, will therefore leave their orders, and the same will be procured either by Express via Panama, or by ships via Cape Horn. Single copies of books ordered to come by Express will cost hild down in Honolula about Afty per cent. over the home cost: those coming by ships, about thirty per cent. Where a number of books are ordered for one person, the charge IF Orders accompanied with the money, will be filled at a discount from the above rates.

The time required to get books by Express, will be about four months; and by ship, from 6 to 8 months. Honolule, Dec. 1860. 239-5m H. M. WHITNEY.
